Words of Recognition

“Thank you to my vocal teachers Max and Wendy for guiding me through my vocal journey at Choate. I never thought I would be capable of singing the material I present today, and I’ll forever be grateful for your words, encouragement, and even vocal analogies and imagery! You both have pushed me to my limits, and I’m so proud of the singer I’ve become.

Thank you to the other teachers/mentors that have influenced my journey as a performer, including Deighna DeRiu, Dr. Tiffany Jackson, Mr. Charles Evans, Kalya Yannatos, and the countless other geniuses I’ve connected with. Thank you to my parents for always supporting me in my artistic endeavors. Lastly, thank you to my friends, fellow singers, and the community of Choate. These past four years have flown by. Never take it for granted. Enjoy the recital!”
